

June 18th – August 29th
11 weeks Summer Session
(3 days/week)
for children ages 2 ½ - 5

In addition to our weekly summer camp, we have the option to offer a three-days a week program this summer for our young preschoolers. The weekly class activities are related to our summer weekly camp themes. If your child is enrolled for the fall, we will try to assign him/her to whomever his/her main teacher will for the 2012-2013 school year. Our goal is that they start building a relationship with their future teacher.
